

I am writing concerning the possible removal of the radio station K-LOVE that would be displaced by an LPFM broadcaster. This would be a terrible loss to not only my family, but thousands of families. It is so nice to be able to listen to the K-LOVE in the car and at home with my four children and not have to worry about what they are hearing. It is a very uplifting and positive radio station and I do not want to lose it. Please do not take it off the air! This would be a terrible loss for our community. We need a wholesome radio station to listen to that is not harmful to our kids. Thank you for listening to my concern about removing K-LOVE from the air. It is the only radio station we listen to and I do not want to lose it. Lee Ann Rahto
